Admissions Policy - Secondary

NOTRE DAME HIGH SCHOOL

ADMISSION POLICY September 2025-26 academic year

Notre Dame High School was founded by the Sisters of the Order of Notre Dame de Namur in 1864 to provide education for children of Catholic families. Whenever there are more applications than places available, priority will always be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and the Articles of Association of St John the Baptist Catholic Multi Academy Trust and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. We hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for, and be admitted to a place at the school, in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements for the common point of entry to Year 7 in September. The governing body has set its Published Admission Number ("PAN") at 210 pupils to year 7 and 100 for external applicants to year 12 in the school year which begins in September 2025. The governing body will admit twins and all siblings from multiple births in admissions to Year 7, where one of the children is the last child ranked within the school's Published Admissions Number.

Pupils with an Education, Health and Care Plan (see note 1)

Children with an Education, Health and Care Plan (EHCP) that names the school will be admitted.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

1. Baptised Catholic looked after and previously looked after children (see notes 2,3&11)
2. Baptised Catholic children of staff who have been employed by the school for at least two years or are in a position where there is a demonstrable skills shortage (see notes 3&11)

the DIOCESE of EAST ANGLIA

3. Baptised Catholic children who are in named schools (see notes 3,4&11)
4. Other Baptised Catholic children (see notes 3&11)
5. Other looked after and previously looked after children (see note 2)
6. Catechumens and members of an Eastern Christian Church (see notes 5&6)
7. Children of staff who have been employed by the school for at least two years or are in a position where there is a demonstrable skills shortage
8. Children who are not Catholic but who are on roll at named schools (see note 4)
9. Children of other Christian denominations whose membership is evidenced by a minister of religion (see note 7)
10. Children of other faiths whose membership is evidenced by a religious leader (see note 8)
11. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) The attendance of a sibling at the school at the time of enrolment (*including the sixth-form*) will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 9).
- (ii) After children in (i) above, priority will be given within each category by random allocation, which will be carried out independently by the Local Authority.

Application Procedures and Timetable

Year 7 places (September 2025)

To apply for a place at this school in the normal admission round for Year 7 places, you **must** complete a Common Application Form available from the local authority in which you live. You are also requested to complete the school's Supplementary Information Form (SIF) if you wish to apply (available on the school's website and from the School Office). The Supplementary Information Form should be returned to The Admissions Secretary, Notre Dame High School, Surrey Street, Norwich NR1 3PB by **31st October 2024**.

You will be advised of the outcome of your application for a place in year 7 on 1st March or the next working day by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

the DIOCESE of EAST ANGLIA

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will be placed in the appropriate category based on the information available, and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 31st October 2024 for year 7 applications, and 18th December 2024 for year 12 applications.

Owing to the complexity of the school's admissions arrangements, with applications made from more than one Local Authority we request that parents also complete a Supplementary Information Form. The school will write to all those who have applied for Year 7 places through local authorities to request a Supplementary Information Form which must be returned by 1st December 2024. This enables applicants to be placed into the appropriate category, otherwise they will be placed by default in the lowest appropriate category. This procedure has been discussed and agreed with Norfolk County Council Admissions Team.

After a place has been offered, the school reserves the right to withdraw the place in the following circumstances:

- when a parent has failed to respond to an offer within a reasonable time, or
- when a parent has failed to notify the school of significant changes to the application information that may affect the processing of the application, or
- the governors were misled and offered the place on the basis of a fraudulent or intentionally misleading application from a parent.

Late Applications

Late applications will be considered but will be given a lower priority than preferences received by the closing date.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and ***not*** in the order in which applications are received or added to the list. Waiting lists for admission will be maintained until 31st December 2025.

Inclusion on the school's waiting list does not mean that a place will eventually become available.

Admission to the Sixth-Form

Applications to the sixth-form must be made directly to the school by contacting the Sixth Form Secretary, Sixth Form Office, Notre Dame High School, Surrey Street, Norwich NR1 3PB. These applications must be received by **5pm on Wednesday 18th December 2024**.

Both internal and external pupils wishing to enter the Sixth Form will be expected to have met the same minimum academic entry requirements for the Sixth Form. These are shown in Appendices 1 and 2 of the determined policy, and will be available on the Sixth Form pages of the school's website.

In addition to the minimum academic entry requirements for Sixth Form entry, pupils will need to satisfy minimum entrance requirements to the courses for which they are applying. Course requirements are published annually on the school's website, and a printed copy is available on application to the School Office.

All current Year 11 students at Notre Dame High School who meet the minimum academic entry requirements will be admitted.

When there are more external applicants that satisfy any academic entry requirements, priority will be given in accordance with the oversubscription criteria set out below.

Where there are more applicants that meet the academic criteria for Sixth form entry than there is capacity at the school, then places for external applicants may be determined by random allocation, which will be carried out independently by the Local Authority according to the oversubscription criteria above.

In-Year Applications

Years 7 - 11

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made to the Local Authority, which will subsequently contact the school about availability of places.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

the DIOCESE of EAST ANGLIA

Sixth Form

Applications for Sixth Form places outside the normal round of admissions should be made in writing to the Sixth Form Office at Notre Dame High School.

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school takes regard of agreed Fair Access Protocols with the Local Authority regarding vulnerable and/or hard-to-place children, including practising Catholic families moving into the area (see note 12).

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child. The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making the application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Previously looked after children also includes those children who appear (to the governing body) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome (see also note 11 below). This includes the Eastern Catholic Churches. This will be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

the DIOCESE of EAST ANGLIA

4. For the purposes of this policy, named schools are: Sacred Heart Catholic Primary School (Swaffham), St Augustine's Catholic Primary School (Costessey), St Benet's Catholic Primary School (Beccles, Suffolk), St Edmund's Catholic Primary School (Bungay, Suffolk), St Francis of Assisi Catholic Primary School (Norwich), St Mary and St Peter Catholic Primary School (Gorleston), and St Mary's Roman Catholic Primary School (Lowestoft, Suffolk).
5. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens. Catechumens are children above the age of 7 who are undergoing a course of instruction to become baptised into the Catholic Church, or who have been baptised within another Christian denomination, and are undergoing a course of instruction in preparation for reception into the Catholic Church through the sacrament of Holy Communion.
6. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
7. "Children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

8. "Children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in one God
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

9. 'Sibling' includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, who are living at the same address; and
- (ii) the child of a parent's partner where that child lives for most of the week in the same family unit at the same address as the applicant.

In all these cases, the child and their sibling will both be living at the same address in a single family unit. This means that children from different family units, where those are living together at the same address, are not considered siblings under this criterion.

Children in Years 7, 8, 9, 10 and 12 at Notre Dame at the point of application are recognised as siblings for admission purposes. Those in Year 11 at Notre Dame at the point of application cannot be recognised as siblings for admission purposes as they may not necessarily progress to Year 12 at Notre Dame.

10.A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

11. Churches in Full Communion with the Roman Catholic Church are the:

- Albanian Byzantine Catholic Church
- Armenian Catholic Church
- Belarusian Greek Catholic Church
- Bulgarian Greek Catholic Church
- Chaldean Catholic Church
- Coptic Catholic Church
- Eritrean Catholic Church
- Ethiopian Catholic Church
- Byzantine Church of Croatia, Serbia and Montenegro
- Greek Byzantine Catholic Church
- Hungarian Greek Catholic Church
- Italo-Albanian Byzantine Catholic Church
- Macedonian Greek Catholic Church
- Maronite Church
- Melkite Greek Catholic Church

the DIOCESE of EAST ANGLIA

- Ruthenian Byzantine Catholic Church
 - Slovak Byzantine Catholic Church
 - Syriac Catholic Church
 - Syro-Malabar Catholic Church
 - Syro-Malankara Catholic Church
 - Ukrainian Greek Catholic Church
12. Fair Access Protocol: The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in the locally agreed protocol. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number

Appendix 1 – Minimum academic entry criteria for Sixth Form places, September 2025 entry

Sixth Form (Sept 2025 intake) admissions arrangements

Governors have decreed that the Published Admission Number (PAN) for new entrants to Year 12 in September 2025 is 100. Note that this number is in addition to the current Year 11 students already on roll at Notre Dame.

Provisional places may be offered to more students than the PAN in the knowledge that a number of students may not reach the required standard, or may decline their provisional places.

Criteria for general entrance

- A minimum entry of a total GCSE points score of **42** for the best eight individual GCSE subjects, (9=9, 8=8, 7=7, 6=6, 5=5, 4=4, 3=3, 2=2, 1=1), **AND**
- For any specific subject the grades required by that Department, as shown in the table in Appendix 2
